

## AS-4028 Instant Grab Adhesive

ALSEAL Instant Grab Adhesive is an instant grab adhesive based on advanced MS Polymer technology. The instant-grab capability eliminates the need for mechanical support: bracing, nailing, screwing, or other fastening devices. It is solvent, silicone, and isocyanate free and non-staining for porous substrate applications. It is excellent in UV, weather and temperature resistance. Adhesion is great over a wide variety of substrates and is paintable with common industrial paints.

Ideal for direct bonding of various heavy construction materials. It features instant grab, thus no support for the bonded construction materials will be required. It bonds bathroom accessories, panel, skirting board, windowsills, stripes, thresholds, mirrors and isolating materials. It is also widely used in coach work and metal connecting joints in shipbuilding industry.

### Features:

- ✓ Instant grab / No support required
- ✓ High strength bonding
- ✓ Primerless bonding to most substrates

Available color : White
